General Terms and Conditions - Digital Event

1. General information

1. The exhibitor orders a virtual exhibition stand and associated services as described in the description by sending the completed electronic registration form. These General Terms and Conditions are bindingly accepted by the Exhibitor with the online application. The rental of virtual exhibition stands within the framework of the digital event '12th International Fluid Power Conference' for the purpose of presenting products and services is regulated.
2. The concrete service description results from these terms and conditions of participation and the information in the registration form. Offers of the 12th International Fluid Power Conference on request are subject to change and non-binding.
3. The 12th International Fluid Power Conference will take place online live from 12 to 14.10.2020 on the internet

2. Design

1. After binding registration the exhibitor receives the following services:
 - o Provision of the virtual trade fair stand from conclusion of contract up to and including 14.10.2020
 - o Contact details of all visitors to his virtual booth after the event

The assignment of the position of the virtual booth in the virtual exhibition area is done by the organizer. The Exhibitor has no claim to a specific placement of his exhibition stand.

2. The exhibitor shall submit all contents and files for the virtual exhibition stand to the organizer in due time. The organizer reserves the right to deactivate the Exhibitor's virtual exhibition stand in the event that the deadline of submitting all contents is missed and the stand is not filled.
3. The exhibitor grants the organizer a simple right, exclusively transferable to the organizers of the event, to use the exhibition stand in accordance with this agreement and to make it available for all participants to view free of charge until the end of the event
4. The exhibitor is solely responsible for all contents of his virtual trade fair stand, be it texts, graphics, links, catalog entries or conference announcements. The organizer reserves the right to reject virtual exhibition stands or parts thereof if the presentation does not correspond to the character of a scientific event.

The organizer is not obligated to check entries and content to see whether they infringe the rights of third parties or whether they comply with competition law regulations. Should third parties assert claims against the organizer due to the legal or competition law inadmissibility of the entry, the exhibitor shall indemnify the organizer from all claims asserted including all costs of necessary legal defense upon first request.

5. If a LiveChat is used, the exhibitor is obligated, for the entire duration of the 12th IFK, to occupy the LiveChat online at his virtual stand from 9 am until 6 pm UTC+2 and to answer inquiries from visitors during this time.
6. The exhibitor permits the organizer to use his logo and the information and media provided by him within the scope of the 12th IFK for the purpose of advertising for this and future events.

3. Cancellation of participation

1. The exhibitor may withdraw from participation free of charge up to 14 days after receipt of the confirmation of registration without giving reasons. The withdrawal must be notified in writing to the organizer.
2. If the event has to be cancelled due to circumstances beyond the control and influence of the organizer, the contracting parties shall bear their own costs incurred up to that point in time. These circumstances include the COVID-19 pandemic, other comparable health emergencies as well as measures to combat and contain pandemics and emergency situations. The fees paid will be refunded.

4. Payment terms

1. All prices quoted are net prices and do not include the statutory value added tax.
2. The invoice amount is due 30 days after receipt of the invoice. In the event of late payment, interest on arrears shall be payable at a rate of 8% above the respective prime rate of the German Federal Central Bank.

5. General information

1. Personal data is collected and processed for the purpose of processing the order:
The exhibitor consents to the processing of personal data by the TU Dresden, Institute for Mechatronic Engineering and GWT-TUD GmbH in accordance with DSGVO. This consent is given on a voluntary basis and can be revoked at any time with effect for the future. A revocation as well as the non-supply of the necessary data has however usually the consequence that the purpose for which the data was or would have to be collected cannot be fulfilled.
Your rights and further information on the protection of your personal data can be found at: <https://ifk2020.com/privacy-policy/>
2. The organizer reserves the right to make changes and additions concerning the technical platform and data protection.
3. Should individual provisions of these conditions of participation or a provision within the framework of other agreements be or become invalid in whole or in part, the legal validity of the remaining provisions shall not be affected. In their place, an appropriate provision shall be made which most closely approximates the intention of the invalid or missing provision.
4. This contract and all obligations arising from it are subject to German law. Place of jurisdiction and place of performance is Dresden.

I order bindingly to the mentioned conditions:
